Park Improvement

The four park flowerbeds have
been completed this week and
flowers donated by the Wm. L.
Rock Flower Co. of Kansas City,
have been received and planted.
If you want to see what are
doubtless the prettiest flower-
beds in the city just take a
stroll through the park. This
donation, along with the flowers
already placed and blooming,
makes Mansfield's park a beau-
tiful spot.
Dr. F. H. Riley is agent for
Rock's flowers for funerals, wed-
dings, parties, or for planting.

For the Stock Show

The excellent prospects for
1915 to be a bumper crop year,
and the fine quality of the po-
tatoes and other garden truck
already in evidence, is very en-
couraging for Mansfield's Fourth
Annual Agricultural and Stock
Show this fall. A meeting will
be called soon to set the date
and make the necessary ar-
rangements.
That Mansfield will have the
hearty co-operation and sup-
port of the farmers in making
the show a success is proven by
the long list of names of farm-
ers desiring that the show be
held, published elsewhere in the
Mirror.
Stock, too, appears to be in
fine shape and should make a
good appearance at the show.

A Restful Lake Ride

Travel to be enjoyable must be
restful, and at this season of the
year whether your trip takes
you East or West break its mon-
otony, either at Cleveland or Buf-
falo, by a refreshing night's trip
across Lake Erie on a veritable
floating hotel. C. & B. Line
Steamers leave either city every
evening and arrive early the next
morning.
The fame of the Great Ship
"SEEANDBEE" is attracting to
the route a vast number of trav-
elers to enjoy the delightful
lake ride and, at the same time,
inspect her magnificent interior
decorations, wonderful illumina-
ting system, and other inter-
esting features. The "SEEANDBEE"
is the largest and most
costly passenger steamer on in-
land waters of the world; length
500 feet, breadth 98 feet 6 inches,
510 staterooms and parlor ac-
commodating 1500 passengers,
equaling in sleeping capacity the
largest hotels of the country.
The fares for this lake trip are
less than by rail, and also rail
road tickets reading between
Cleveland and Buffalo are accept-
ed for transportation on all C.
& B. Line Steamers.—Adv.

Another Pioneer Gone

James Rippee was born in
Monroe county, Ind., July 5,
1830, and died at his home 5
miles north of Mansfield June
13, 1915, at 3:30 p.m., lacking
only a few days of being 85 years
of age. He had been confined to
his bed for 91 days, but bore
his sufferings with much pa-
tience and fortitude.
Rev. Pleasant Davis conducted
the funeral from the residence
Monday afternoon, interment
in the Newton cemetery.
Deceased was a pioneer resi-
dent of Wright county, coming
to this vicinity with his parents
in 1837 and locating on a farm
near the Gasconade where he
spent the remainder of his life
with the exception of a short
time spent in North Missouri.
He was twice married, both
wives having preceded him in
death. He was the father of
three children, all of whom are
living: Bettie—Mrs. T. J. Rip-
pee; John, and Louisa—Mrs. J.
P. Newton.
He was converted in 1888 and
lived a consistent Christian life.
Deceased was one of the old-
est and best citizens and was a
factor in the development of the
country from the wilderness of
1837 to the productive lands of
1915. To him and his contem-
poraries is due the splendid
achievements this country has
made.
We join in condolence to the
bereaved ones.
